Dear Ms. Denny:

I am enclosing a copy of a fax which had been sent me which underlying purpose was to offer me the sum of at least \$86,000. for, in part, my not bringing any action by the FBI or the IRS in this matter (see ¶12), and for my requesting my civil rights.

Does not the use of a telephone (fax) in the commission of coercion/extortion fall within the Federal arena?

I am scheduled to be incarcerated in the Cook County Jail tomorrow morning for exercising my civil rights.

I hope that your attorneys authorize the immediate further investigation into this matter. I am available to present further information.

On behalf of the Civil Rights of the Citizens of this great nation, I thank you for meeting with me.

Yours truly,

CITIZENS FOR LEGAL RESPONSIBILITY
