Dear Ms. Denny:

I am enclosing a copy of my motion titled "Motion for Stay of Proceedings" filed Wednesday afternoon. The purpose of providing you with this copy is to inform you of more specific details in my claim of violations of 18 U.S.C. §1341 and 18 U.S.C. §1951.

This motion is scheduled to be heard Friday morning at 10:00 a.m.

I am writing up another claim of violations of 18 U.S.C. §1341 and 18 U.S.C. §1951, in that the parties obtained, according to my discussions with the Department of Labor, an unlawful order from Judge Lieb to take monies from a Federal exempt ERISA pension plan.

I will present to you all the information on this additional claim that I have been able to obtain, with a future letter.

Yours truly,
