Re: JAY A GRUNIN, ESQ., A NEW JERSEY ATTORNEY

Dear Sir or Madam:

I enclose herewith copies of the following:

1. Correspondence from Jay A. Grunin to the New Jersey Office of Attorney Ethics dated December 17, 2001.
2. Correspondence from the New Jersey Office of Attorney Ethics to you dated December 20, 2001.

On January 7, 2002 I logged on to your site and noted that my name still appears on both lists referred to in my correspondence.

Be advised that unless this matter is corrected within the next 10 days, and a written apology furnished to me, a defamation action will be commenced without further notice. It is clear that your action in listing me as an attorney "reported to have been disciplined by the State of New Jersey for unethical conduct" is libelous. In fact, I only learned of this list recently when it was brought to my attention by a very dear friend who asked me if there was an explanation.

For your information my record as an attorney is as it has always been -- sterling and pristine.

I trust I will hear from you shortly.

Very Truly Yours,

JAY A. GRUNIN
